Curt Spalding

Regional Administrator

Environmental Protection Agency Region I

5 Post Office Square – Suite 100

Boston, MA 02109-3912

Dear Administrator Spalding,

We are writing to request a meeting with you and your staff at your earliest opportunity to discuss the pending Section 126 Petition before the agency as filed by the town of Elliot, ME.

As you are aware, the Sierra Club is monitoring the progress of the petition closely and we are seeking further clarification regarding timeline and next steps for the petition, as well as more information regarding the

monitor that EPA plans to place in Elliot.

Additionally, a meeting will provide an opportunity to follow up on some of the issues discussed in our previous meeting, including the timing for the finalization of the Mt. Tom and Merrimack NPDES permits, and EPA's plans for the Schiller draft NPDES permit.

Please advise of possible dates, and we look forward to meeting.

Very best regards,

James Bryan McCaffrey
